Seasonality:
We are slowly beginning to see more commodities coming into season. We'll see a growing list as the summer market season is progressing.

Weather Conditions:
Some markets over the weekend experienced rain this past week. Some other weekday markets reported great, sunshine and warm temps!

Attendance:
Due to the weather, the majority of the markets reported that attendance was great this week. One of the markets said that this year has been noticeably better in sales already than last year. A small portion of the markets who reported rain, reported less traffic than last week's sunny market. Also a couple of markets reported that with the holiday weekend, they noticed LESS traffic than normal.

Vendor Comments:
Vendors noted that they will be having a significant amount of produce to add in the next week or so.
