

NOTE: Vermont CATEGORY 7B – MOSQUITOES

The current Category 7B – Mosquito Exam is based upon certain sections of this Category 5 – Aquatic Pest Control manual (September 2004).

To become certified in Vermont Category 7B – Mosquito, you are only responsible for the following Chapters:

Chapter Number	Title
1	Introduction
3	Aquatic Integrated Pest Management
4	Effects of Aquatic Pesticide Use
5	Pesticide Contamination Issues
6	Heat Stress
7	Protecting Water from Pesticide Contamination
8	Aquatic Pesticide Application Equipment
10	Managing Nuisance Mosquitoes in the Aquatic Environment
11	Management of Black Flies in their Larval Stage

Any questions, please call me at 802-828-3482 or email matthew.wood@state.vt.us
