ATTACHMENT D: Annual Usage Report

Electronic record outputs are required for any grants that require use of, or provide funding towards precision manure record keeping system [GPS, Flow Meter & Display Unit], and for grants that do not, electronic records are acceptable in place of the annual usage report if available and only when electronic records contain all the information in Appendix D. Annual Usage Report. Annual Usage Reports are due by January 15th for three seasons of the grant.

Grantee Name:					
Equipmen	nt Make/Model:				
Type of Operation: ☐ Individual Farmer ☐ Cu		ustom Applicator		☐ Group of Farmers	
	Year of Season Report:
