

## Vermont Mosquitoes Breeding in Artificial Containers and Tree Holes

### Species Trapped in CDC Gravid Traps

*Anopheles barberi* (Coquillett)  
*Anopheles punctipennis* (Say)  
*Culex pipiens* Linnaeus  
*Culex restuans* Theobald  
*Culex salinarius* (Coquillett)  
*Ochlerotatus atropalpus* (Coquillett)  
*Ochlerotatus japonicus* (Theobald)  
*Ochlerotatus triseriatus* (Say)

### Species Found in Artificial Containers (i.e. discarded tires)

*Culex pipiens* Linnaeus  
*Culex restuans* Theobald  
*Culex salinarius* (Coquillett)  
*Ochlerotatus atropalpus* (Coquillett)  
*Ochlerotatus japonicus* (Theobald)  
*Ochlerotatus triseriatus* (Say)

### Species Found in Tree Holes

*Anopheles barberi* (Coquillett)  
*Culex restuans* Theobald  
*Culiseta melanura* (Coquillett)  
*Ochlerotatus hendersoni* (Cockerell)  
*Ochlerotatus triseriatus* (Say)

### Species Found in Pitcher Plant Leaves (in sphagnum bogs)

*Wyeomyia smithii* (Coquillett)
