

Apiary Location Permission Form

This form may be used in requesting approval to locate an apiary within two miles of an existing apiary registered to a different person.

Pursuant to 6 V.S.A. § 3034:

No person shall locate an apiary within two miles of an existing apiary registered to a different person, with the following exceptions:

(4) a person may locate an apiary within two miles of another existing apiary provided the owner of the existing apiary gives written permission or the existing apiary has less than 15 hives;

I, _____ (*individual or entity seeking permission*), am seeking permission to locate an apiary at _____ (*GPS coordinates*) that exists within the two-mile radius of an existing apiary registered to a different individual or entity.

Existing Apiary: _____ (USA Plant ID followed by apiary #).

I, _____ (*individual or entity with existing apiary*), grant permission to the above individual or entity to locate an apiary at the GPS coordinates indicated above.
