Vermont Monthly Local Beef Report - March 2022

Report reflects beef sold direct to consumer on a whole carcass basis and on a retail basis. All beef products are considered local to Vermont and are raised within state borders plus 30 miles outside the border. Cattle are processed under State or Federal Inspection.

Vermont Monthly Beef Report

Producer Comments & Trends

Producer reported that demand is good, but we have to do marketing to remind folks we're here. Liver is VERY much in demand. There is interest in bones for bone broth. A producers hotel customers are back to buying steaks. One producer is currently out of products, will be having some processed in Apr. Another producer noted that March is a very slow month and usually is for them.
