	Solid (tons):
Total liquid storage available (gallons):	
Liquid waste <b>generated/imported</b> in 180 days (gallons):	(-)
Balance:	
Total semi-solid storage available (tons):	
Semi-solid waste <b>generated/imported</b> in 180 days (tons):	(-)
Balance:	

## Summary of Discharge(s)

Did the farm have a discharge of waste from the production area(s) in the past 12 months?     Yes     No

*If yes, provide a summary of each discharge of waste from the production area(s) that occurred during the 12-month period covered by this report. Attach additional sheets if necessary.*

Date	Location	Description	Volume

**Date:** The date of the discharge. If the discharge was detected after it happened, give an estimate of the date when the discharge occurred.

**Location:** The location of the discharge to waters of the state. Be specific. Include the name of the water body and a specific description where the waste entered the water body. Include landmarks or other points of reference.

**Description:** Provide other relevant information about the discharge including the source, cause, composition and impacts observed.

## Permittee Certification

I certify that I have examined the information submitted in this Annual Compliance Report, and that the information contained in this Annual Compliance Report is true, accurate, and complete. I understand that I may be subject to the criminal sanctions of 13 V.S.A. § 3016 for false, misleading, or untrue representations on this form. I understand that with my signature of this form, I acknowledge that I am operating as a Medium Farm Operation under Vermont General Permit for Medium Farm Operations (the MFO General Permit). I also understand that if I do not comply with the agricultural water quality requirements under Title 6 (e.g., the MFO General Permit), I may be subject to enforcement action(s) by the Agency of Agriculture, Food and Markets.
