

Vermont Direct to Consumer - Monthly Beef Report

Beef report for the month of January, ending Sunday Jan. 31, 2016

****Report reflects beef sold direct to consumer on a whole carcass basis and on a retail basis. All beef products are considered local to Vermont and are raised within state borders plus 30 miles outside the border. Cattle are processed under State or Federal Inspection.****

Vermont Monthly Beef Report

Producer Comments & Trends

This month the wholesale/retail trade was lighter in lieu of holiday season ending. Retail prices changed slightly due to the beginning of the new year. Very few individuals reported sales, most others had limited to no movement of beef due to the time of year. Retail prices were mixed with only a few minor adjustments in both directions of last months averages. Very limited dress sales to report this month. YTD and 3-mo Rolling Averages were adjusted to account for what sales did occur on the carcass trades.
