

# Vermont Weights and Measures Violations

**Definitions used in the violation chart are as follows:**

**Scanners** – Price scanning systems charge a different price than is posted. Violations are over 2% errors.

**Short Weight** – The weight stated on the package must reflect the weight of the product only, excluding the weight of packaging.

**Seals** – Meters found with no security seals.

**Short Measure** – Meters deliver less than the amount on the meter.

**Paid** – Paid Penalty / No Hearing

**AOD** – Assurance of Discontinuance

**Pre Hearing** – Meeting to discuss the violation and come to an agreement

**Dismissed** – Case dropped
