## APPENDIX A: VERMONT FAIRS AND FIELD DAYS STATUTE AND RULES

### Section 4. Criteria.

Since the State Stipend Fund is based upon competing needs of fair association throughout the state, the Secretary of Agriculture shall have the discretion to issue grant awards to eligible agricultural fair associations after the application deadline expires and the Secretary evaluates all timely applications. The Secretary shall equitably distribute the appropriated funds to qualified applicants and strive to support fairs and field days in all areas of the State.

When equitably distributing available funds, the Secretary shall consider the following factors:

- 1) the importance of the requested grant to the applicant;
- 2) how the grant will help farmers, food producers, and promote agriculture;
- 3) how the grant will support the local community
- 4) each applicant's attendance numbers, the amount it spent on premiums for competitive exhibits, the amount it spent on general operations, and the amount it spent on plant improvements;
- 5) each applicant's past success in productively utilizing grant funds;
- 6) each applicant's plans to facilitate the purposes of this chapter;
- 7) and the relative needs of all applicants and how the distribution of available funds may best meet the purposes of the program.

The Secretary shall equitably distribute appropriated funds to eligible qualified applicants. The Secretary shall determine each applicant's percentage of total fair and field days activity through a formula that equally measures each applicant's respective percentage of the total applicant:

- A) attendance;
- B) premium expenditures;
- C) general operations expenditures; and
- D) plant improvement expenditures for the most recent calendar year

No applicant shall receive more than 10 percent of the total appropriated funds unless fewer than 10 fair associations apply. In the Secretary's sole discretion, the Secretary may consider the additional enumerated factors in this section and use an alternate method to equitably distribute available funds.

Notwithstanding the eligibility requirements of 6 V.S.A. § 5154, an agricultural fair association that received financial assistance awards under the Agency of Agriculture, Food and Markets' previous State stipend shall be eligible for a grant under 6 V.S.A. chapter 219.

The fair association may request a hearing before the Secretary in conjunction with any such reconsideration. A hearing will be set for a date within 15 days after receipt of the notice and shall be preceded by at least five days' written notice.
