I. PROGRAM OVERVIEW

PROGRAM PURPOSE

This purpose of this funding opportunity is to help early childhood education providers and after school programs access more Vermont grown and produced food. Successful applicants will receive a reimbursement grant for 80% of the total cost of a community supported agriculture (CSA) share(s) or farm share(s). Shares must be from a Vermont farm, or farm collaborative.

ELIGIBILITY

Previous CSA Grant recipients should note that the majority of funds for the 2022 round will be prioritized for applicants who did not receive this grant in the previous year.

The following entities are eligible to apply for this competitive grant:

- Vermont registered or licensed early childcare providers
- Vermont licensed after school programs
- 21st Century Child Learning Center Programs

AVAILABLE FUNDS & AWARD AMOUNT

Grants will cover 80% of the total cost of CSA or farm share(s). The maximum grant award for this funding opportunity is \$1,000.

PROJECT LENGTH

February 2022 – November 2022

FUNDING SOURCE

Grants are funded through a State of Vermont legislative appropriation.

FUNDING OPPORTUNITY DESCRIPTION

This funding opportunity will partially reimburse childcare providers or after school programs for CSA or farm shares purchased from Vermont farms, or farm/producer collaboratives. Applicants must identify the farm or collaborative from whom they plan to purchase their share(s) in their application and provide documentation that share(s) are available. Applicants must provide a description of how they will utilize the farm products to support goals related to nutrition, food access, culinary education, community food systems and related areas. Successful applicants will receive a grant to cover 80% of the cost of their share(s).

CSA and farm shares are two similar models of direct procurement. Both require the customer to pay upfront for farm products that are delivered or picked over the course of the growing season. As this is a reimbursement grant, successful applicants should be prepared to pay the full cost of their share(s), and document their purchase to the grant program manager, before receiving their grant award. Successful grantees can anticipate receiving their grant award payment within ten business days of submitting a grant claim.
