

LARGE FARM OPERATION PROGRAM

Appendix A: Application for Large Farm Operation (LFO) Permit or Amendment

A. Applicant Information

Operation name: _____

Primary contact: _____

Mailing address: _____

Phone number: _____ Email: _____

B. Application Type

Select all proposed changes that apply to the application:

- Operating permit for a new LFO
- Addition of animal housing
- Addition of waste storage
- Transfer of ownership: the transfer of the LFO permit to a new owner/operator
- Increasing number of animals above current LFO permit maximum. *A Nutrient Management Plan (NMP) is required when an applicant is applying to increase the permitted maximum number of animals. Please submit an NMP that meets the requirements of the NRCS VT590 Standard.*

C. Animal Information

Type	Total number of animals (<i>current and proposed</i>)
Mature dairy cows	
Youngstock or heifers	
Other: _____	
Other: _____	

D. Traffic, Odor, Noise, and Pests Requirements

1. Will this farming operation generate more traffic than a well-managed similar-sized farm of the same animal type? Yes No
2. Will this farming operation generate more odor than a well-managed similar-sized farm of the same animal type? Yes No
3. Will this farming operation generate more noise than a well-managed similar-sized farm of the same animal type? Yes No
4. Will this farming operation generate more pests than a well-managed similar-sized farm of the same animal type? Yes No

E. Waste Generation Information (*current and proposed*)

Annual liquid waste generated on-farm:	
Annual liquid waste exported:	(-)
Annual liquid waste imported to WSF (including non-sewage wastes):	(+)
Balance	gallons
Annual semi-solid waste generated on-farm:	
Annual semi-solid waste exported:	(-)
Annual semi-solid imported to WSF (including non-sewage wastes):	(+)
Balance	tons

F. 180-day Waste Storage Verification (*current and proposed*)

Total useable liquid storage (gallons):	
Liquid waste generated + imported - exported (gallons):	(-)
Balance:	
Total useable semi-solid storage (tons):	
Semi-solid waste generated + imported - exported (tons):	(-)
Balance:	

G. Signature of Applicant

I certify that all information provided on this application for a LFO permit or LFO permit amendment is true and accurately represents the proposed farming operation. I understand that by signing this appendix I am also representing that all information contained on Appendix A-1 Facility form(s) that I submit in addition to this appendix is true and accurate. I understand that if any information changes on this appendix or Appendix A-1 Facility form(s) that I submit I must notify VAAFM at AGR.WQPermits@vermont.gov.
