Farmstead Name: _____

NRCS Contact: _____

I, _____, request USDA NRCS to release information pertaining to my farmstead EQIP Application to the Vermont Agency of Agriculture (Agency) for the purpose of receiving additional technical and / or financial assistance from the Agency. I also understand that to receive technical assistance I need to submit a Best Management Practice (BMP) application to the Vermont Agency of Agriculture, separate from my application to USDA NRCS, and have a fully executed BMP grant award with the Vermont Agency of Agriculture to receive financial assistance.
